April 2007

April 17th Meeting

Jerry Hug will show us how to get more out of our images using Photoshop/Elements. 7:30 at the Schaumburg Library.

May 15th Meeting

This is our end of the year competition for Best of Year. For each category, you can submit up to 4 images that were entered in regular competition this season. Since a different set of judges will be viewing these images, any image is capable of being chosen the best, even if it did not previously get an award. For the Digital Projection images, notify Dick Frieders which four images you will want to show.

Pizza Party

It is time for our annual pizza party, in which the club pays for pizza and soft drinks for members and their significant others. Plan on picking a date at the April or May meeting.
